Angel Bershaw, SRNA

Angel Bershaw graduated with her BSN from OHSU Ashland. She worked in the CV-ICU at Strong Memorial Hospital in Rochester, NY and then in the mixed ICU at Providence Portland. Angel is thrilled to be back in the beautiful PNW with her husband and two kids.

Ashton Ross, SRNA

Ashton earned her BSN from Pacific Lutheran University in Tacoma, WA in 2014. After graduating, she moved to Nashville, TN to work in the Cardiovascular ICU at Vanderbilt University Medical Center. While there, she was the day shift chair of the Unit Base Council and served as a preceptor for critical care nursing interns.

Lindsay Knorr, SRNA

Lindsay graduated from the University of Colorado and has spent her nursing career in critical care at the University of Colorado Hospital (UCH). She held dual certifications, various leadership roles including Charge Nurse and Interim Clinical Nurse Educator, and was actively involved in UCH's Nurse Residency Program.

Caroline Anderson, SRNA

Caroline earned her Bachelor of Science in Nursing from OHSU in 2013. Since then, she has worked in the Medical ICU at OHSU where she has been active in the Comprehensive Unit Safety Program and participated in the Nursing Evidence Based Fellowship.

Linda S. Wylie, MD, MSW

Dr. Linda Wylie is an anesthesiologist in Portland, Oregon and is affiliated with multiple hospitals in the area, including OHSU Hospital and Portland Veterans Affairs Medical Center. She received her medical degree from Loma Linda University School of Medicine and has been in practice for more than 20 years. She is one of 71 doctors at OHSU Hospital and one of 19 at Portland Veterans Affairs Medical Center who specialize in Anesthesiology.

Steven M. Sertich, CRNA, MAE, JD

For the past eleven years Steven has been working full time as a civilian contractor to the United States Air Force at Nellis AFB in Las Vegas, Nevada. This is his second term serving as the Region 5 Director on the AANA Board of Directors, representing thirteen Region 5 states. Steven also lectures on Medical and Legal topics that impact nursing, medicine, and the legal professions.

Richard Crocker, CRNA

Major Richard Crocker is from Albuquerque, New Mexico and joined the Army reserves in 1995. He went on active duty in 2007 to attend the United States Army Graduate Program in Anesthesia Nursing through Northeastern University. He is married with 5 children and currently working on his DNAP at Virginia Commonwealth University.

Mandy McKimmy, DNP, FNP-C, APRN

Mandy McKimmy is an Assistant Professor at OHSU, teaching across the advanced nursing practice programs for the DNP and FNP programs. She has been a family nurse practitioner for almost 15 years. Mandy practices clinically at Reed College Health and Counseling Center and serves as the Oregon state representative for the American Association of Nurse Practitioners.

Julie Soelberg MSN, CRNA

Julie began her career as a nurse anesthetist at the Children’s Hospital of Philadelphia. After relocating to the Pacific Northwest, she practiced at Kaiser Permanente and Seattle Children’s Hospital. Julie currently practices at Doernbecher Children’s Hospital, where she is the first nurse anesthetist, and is faculty at Oregon Health and Science University’s Nurse Anesthesia Program.

Dean Laochamroonvorapongse, MD, MPH

Dean Laochamroonvorapongse (Lao), MD, MPH is an Assistant Professor of Anesthesiology at OHSU Doernbecher Children’s Hospital in Portland. Dr. Lao completed a pediatric anesthesiology fellowship at Doernbecher Children’s Hospital, where he remains on staff as a practicing anesthesiologist.

Kimberly M. Mauer, MD

Dr. Kim Mauer works at Oregon Health and Science University in the comprehensive pain management center as well as the adult inpatient pain service. She is involved in research looking at photosensitivity and it's relationship to chronic migraine and fibromyalgia. The pain Center is very focused on well being and health as well as integrative care.

Dustin Degman, CRNA

Dustin is the president of the Oregon Association of Nurse Anesthetists. He currently works at Peace Harbor Medical Center in Florence Oregon in an a CRNA group. Dustin is originally from Reedsport Oregon, got his bachelors in nursing in Klamath Falls, and completed his anesthesia school at Scranton Pennsylvania. Dustin practiced anesthesia in Asheville NC for 10 years, during that time he was in the Army Reserves which included a deployment to Afghanistan at Forward Operating Base Oregon-E in Paktika Province where he was the sole anesthesia provider. Dustin also was an associate professor at Western Carolina University and an active member in the North Carolina Association of Nurse Anesthetists before moving back to Oregon in 2015.

Scott Rigdon, CRNA, MPH

Currently, full time non-surgical pain management practice. Founding owner of ce2 CRNA education company and clinical faculty at the Oregon Health and Science University as well as Midwestern University. Scott lives in Bozeman Montana with his family which includes his wife Jenni, and 3 children, along with their Golden (Phoebe). In addition to being passionate about educating CRNAs and SRNAs Scott spends most of his free time outdoors. Scott and his family are native Oregonians.

SUNDAY NOVEMBER 19TH (3 CE)

DIFFICULT AIRWAY WORKSHOP | 0730-1100 | *Sponsored by the US Army*

Back by popular demand we will be offering a three hour hands-on difficult airway workshop Sunday morning. This will include lecture and plenty of hands-on time with pig tracheas to practice the latest and greatest surgical airway techniques.

07:30-08:00 Registration | Breakfast (provided)

08:00-11:00 Workshop

Matt Ruemmler, CRNA

MAJ (P) Matt Ruemmler is from a small town in central Illinois. He joined the Army in 2004 with the goal of eventually becoming a CRNA. Upon completion of his anesthesia training, Matt worked at both a small community hospital and a Combat Support Hospital, training to support Soldiers in a deployed environment. MAJ Ruemmler is currently working at Ft Belvoir Community Hospital while pursuing a DNAP through Virginia Commonwealth University.

Alan Burningham, MD

Dr. Burningham earned his medical degree from Oregon Health & Science University in Portland. He completed an internship in general surgery and a residency in otolaryngology at Georgetown University in Washington, D.C. In addition, he completed a fellowship in facial plastic and reconstructive surgery at Louisiana State University Health Sciences Center in Shreveport. Dr. Burningham is board certified by the American Board of Facial Plastic and Reconstructive Surgery and a Diplomat of the American Board of Otolaryngology.

Richard Crocker, CRNA

Major Richard Crocker is from Albuquerque, New Mexico and joined the Army reserves in 1995. He went on active duty in 2007 to attend the United States Army Graduate Program in Anesthesia Nursing through Northeastern University. He is married with 5 children and currently working on his DNAP at Virginia Commonwealth University.

ANNUAL CONFERENCE

NOVEMBER 17-19, 2017

17-20
CEs Available

***Full Conference
includes 6 (six)
online CEs

Association Statements

Prior approval by the American Association of Nurse Anesthetists for a maximum of 20 (CE) credits

The American Association of Nurse Anesthetists is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

This educational activity is being presented without bias or conflict of interest from the planners and the presenters.
